Emily Cutajar

Age: 16 yrs old

Occupation: Student

Location: Mellieha

Tech Level: Digital Native

Emily is a very active teenager who owns a rescue dog. She really cares about the animals well-being and enjoys supporting local shelters and other centuries who take in homeless animals. Emily likes to attend to charity events related to these shelters with the hope of volunteering and help out where she is able to, and participate in fundraising activities.

Goals:

- Find upcoming animal charity events
- Locate nearby animal shelters and rescue centers
- Sign up easily for volunteer opportunities
- Read other users blogs and pet adoption
- Can share the events with her friends on her preferred socials.

Motivations:

- Helping animals in need.
- Spending time with her dogs.

Website Expectations:

- Clear Map where it will show nearby shelters and center's.
- Updated list of upcoming charity events.
- Simple volunteer registration process.
- Mobile Friendly Design - Bootstrap
- Photos of dogs in shelters and rescues.

Why is this website better to use then others?

Emily prefers this website because you get notified when new activities are up and therefor she is constantly updated. Emily used to follow some separate pages on Facebook, but she only was updated when a post comes up, and was difficult to be updated with all of the shelters and center's that are across Malta and Gozo.

Jane Borg

Age: 70 yrs old
Occupation: Retired
Location: Zabbar
Tech Level: Basic

Jane is a retired cleaner who has always loved animals. She has two small cats which she adores named Moon and Luna. Jane enjoys spending her days with her cats and also getting involved in the community. Jane recently had lost Luna and due to health issues she was not able to go and search around Malta to find her lost pet, with our website she was able to track down where Luna was by putting her chip number on the site and was able to locate her. Jane had put an alert on FindMyPaw to inform other pet owners to be able to inform others. Jane was able to reunite with Luna in less than 3 days and she was returned back home safely.

Goals:

- Likes to Donate and help with the centers of her preference.
- Read stories about rescued pets.
- Volunteer in simple manageable ways.
- Likes to adopt cats.

Motivations:

- Feeling useful and connected.

Website Expectations:

- Large, Readable text
- Simple navigation with clear buttons
- Easy-to-use location
- Clear contrast information
- Hard Copy applications for volunteer work.

Disadvantage:

- Small text that's hard to read
- Avoid complicated navigation menus
- Too many steps to sign and donate

Why is this website better to use than others?

It is better because it is easier to search for your lost pet and easier to alert other ones not having to post multiple posts on different pages, it is also easier for her to be able to attend to her closest shelter to volunteer in her free time and can apply with a physical hard copy as she may prefer it.

Andrea Zarb

Age: 31 yrs old

Occupation: Full Time Chef

Location: Birkirkara

Tech Level: Comfortable

Andrea is a full time chef who works long hours, after a long day at work he looks forward to go next to his long time friend Buddy a golden retriever who was adopted during his childhood. Andrea likes to spend his free time going for hikes and long walks with his dog. Additionally apart from creating delicious meals to people he also likes to cook healthy threats and donate them for the shelters and center's to his liking. He likes to also donate necessities' that a shelter might need during charity events, with the website he finds it easy to check when he is available to go and prepare his treats in time. Andrea also likes to host events for dogs who have not been adopted yet!

Goals:

- Check upcoming events to fit his schedule.
- Donate dog treats and supplies to the shelters.
- Stay updated on shelter needs (food,blankets,toys)

Motivations:

- Loves his Buddy
- Sharing his culinary skills with others.
- Supporting adoptions.

Website Expectations:

- Clear event calendar with date filtering
- Notifications or reminders
- List of current shelter needs
- Easy to contact the events.

Disadvantage:

- Limited free time
- Last-minute events announcements
- Difficulty finding specific shelter needs
- Complicated registration processes.

Planning Document

This website will focus on the goal of improving recognition for animals that are lost or in a shelter and need a new home or to be taken back home. When one loses their pet, the first thing they do is start searching. The website that I will be creating will allow you to track down your pet and post a missing report, alerting other pet owners. Additionally, it will have a dedicated page for all the pets taken into the shelter to find a home. Apart from this, the website will allow people to donate to the century of their choice and even have information such as the one that is closest to them and the opening hours. The purpose of this website is to emphasize animal care and to have every shelter and century under one site, making it easier to find your pet.

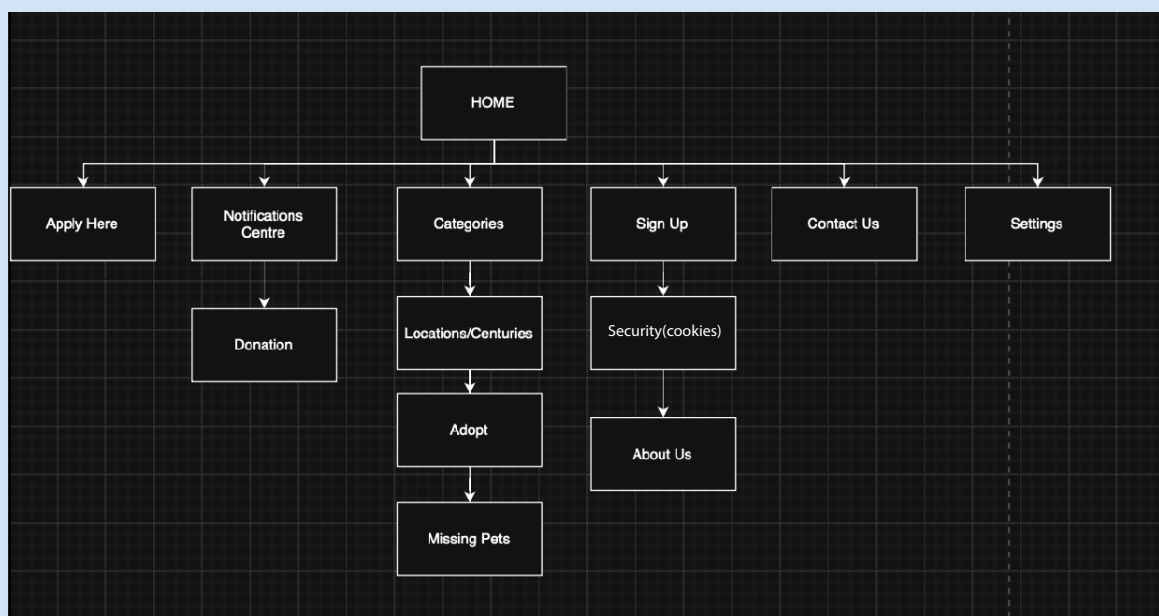

Functionalities:

- * User registration & login
- * Events and Updates section
- * Categories
- * Contact form
- * Image sliders/carousels (in notification centre)
- * hover effects
- * Interactive maps
- * Responsive design
- * Confirmation popups
- * Navigation menu

Pages that i'll have:

- Homepage
- Sign Up/Log in page
- Adopt page
- Missing pets page
- Notification centre page
- Apply here page
- Contact Us page
